PRAINED DEED OF CZOLGOSZ.

Costa Rican Anarchist Arrested for Correspondence of the Associated Press.

SAN JOSE, Costa Rica, Wednesday, November 13.—A Colombian resident here has been arrested and will probably be expelled from the country on account of an anarchist speech made at a meeting of a labor union recently formed here. The speaker praised the deed of the assassin of President McKinley and hoped the same fate would befall President Iglesias of Costa Rica.

Senor Gerardo Matamoros, president of the union, called the man to order and after a strong protest against the speech made, declared the meeting closed.

An extra meeting of protest was held two days later, because it was said that the American legation had taken notice of the incident.

Secretary R. A. Lane is acting at the legation in the absence of Minister Miller, who is at present in Ecuador.

The man's arrest was ordered by Secretary of War Demetrio Iglesias, in the absence of his brother, President Iglesias.

BAPTIST ASSOCIATION.

Standing Committee Announced and Annual Reports Received.
The morning's session of Columbia Baptist Association yesterday was mostly taken up in the routine business. The standing committees were announced and a report of the committee on application of new churches, Mr. A. C. Whitney, chairman, was rendered.

Columbia Baptist Church of Georgetown was received into membership in the association.

Mrs. Waterbury, president of the Women's Foreign Missionary Society of Boston, a returned missionary, gave a very interesting talk on the conditions in India, where she spent long term.

The committee on preacher and place of next meeting made its report through the chairman, Mr. George F. Thompson. It was decided that Rev. Edward B. Pollard should deliver the sermon, with Rev. C. C. Coleman as alternate, the meeting to be held in the Fifth Baptist Church.

A report was read from the committee on systematic benevolence, which showed the mortgage indebtedness of the association in 1900 amounted to \$48,000. Of this amount the committee raised \$24,000 and the churches were to raise the balance. The committee is to pay the amount pledged by it in quarterly payments, the first of which was paid on July 1, 1901, amounting to \$9,267. To this the different churches added their share, \$5,000, making a total of \$12,267. It was proposed by Mr. W. S. Shallenberger that by next year all of the churches of the Baptist denomination in this city will be free of incumbrances.

A committee was appointed, upon recommendation of the centennial celebration committee, to arrange for a centennial meeting to be held on or about March 7, 1902, for the purpose of commemorating the anniversary of the founding of the Baptist cause in the District of Columbia. The following committee was appointed: Messrs. E. B. Pollard, D. A. Chambers, J. J. Darlington, William Fletcher and R. M. Henderson. A resolution was adopted deploring the tragic death of President McKinley and expressing profound gratification that President Roosevelt is a Christian man of exemplary character.

The report of the committee on young people's work was read by the chairman, Mr. O. P. Keller, followed by ten-minute addresses, by Rev. C. S. Mason of Los Angeles, Cal., who spoke on "Christian Endeavor Work on the Pacific Coast"; Rev. C. C. Coleman, pastor of West Washington Church, on "Young Soul Winners"; and Rev. C. H. Braden, on "The Great Need of Activity Among Young Christians."

At the conclusion of consecration services, conducted by Mr. Percy S. Foster, the meeting adjourned to meet next year at the Fifth Baptist Church.

The report of the Baptist Home of the District of Columbia was read at the afternoon session. This report showed that the \$1,500 asked for at the last meeting of the association, the money to be devoted to the erection of a dormitory building, had been pledged by the different churches and that all but \$50 had been collected. The report showed the present indebtedness to be approximately \$4,000.

The committee on obituaries presented its report, in which it was noted that there had been seventy-six deaths during the past year. The names of the members who had passed away were read and prayer was subsequently offered.

The treasurer reported that the amount on hand was \$227.72, the total expenditures for the year being \$2,348.37 and the receipts \$2,571.38.

A long list of members of the executive board was submitted by the committee designated to suggest appointments.

The first proposed amendment to the constitution was accepted, and the second one was rejected.

Rev. Howard Wayne Smith of the Fulton Avenue Church, Baltimore, delivered a very interesting address on Sunday school work Wednesday.

BOOKKEEPER HEAVY DEFENDER.

Bank of Liverpool Loses \$850,000 by His Stealing.

LIVERPOOL, November 22.—Announcement was made today that the Bank of Liverpool had been victimized by a trusted bookkeeper to a large amount. What the losses amount to is not yet known, but an official statement issued by the bank says that through the dishonesty and betting transactions of a bookkeeper they may lose \$170,000.

The Bank of Liverpool's shares fell 11 on the stock exchange today. The defaulter has not yet been arrested.

COUNT VON HATZFELD DEAD.

He Was Until Recently German Ambassador to England.

LONDON, November 22.—Count von Hatzfeldt-Wildenburg, who a few days ago retired from the post of German ambassador to Great Britain, died at his home this morning. Count von Hatzfeldt returned from a holiday six weeks ago, and since that time had only been able to leave his house once or twice, and then in a bath chair. He suffered greatly from asthma, and on Saturday his malady developed into congestion of the lungs.

From this attack Count von Hatzfeldt never rallied, but died peacefully this morning in the presence of his wife and son. He was conscious up to last night, when he received the last sacrament of the church, and then lapsed into a state of coma. His body will be buried in the family vault in Germany.

SEARCH FOR DEAD CONTINUES.

Number of Victims of Mine Disaster Is Now Twenty-Two.

TELLURIDE, Col., November 22.—Efforts were resumed today to explore the ninth level of the Smuggler-Union mine, in which it is feared the bodies of several more victims of Wednesday's disaster will be found. There are twenty-two bodies at the morgue, and it is stated that all but three or four of the men who are known to have been in the mine when the fire broke out have been accounted for. All parts of the mine except 400 feet on the ninth level have been searched and no more bodies found. Funeral services over the twenty-two bodies at the morgue will be held tomorrow afternoon.

Mayor Hiltner has issued a proclamation calling for an entire suspension of business from noon until 6 p.m. Sixteen of the dead will be buried in Lone Tree cemetery here and six bodies will be shipped to other points.

HENSON SMITH DEAD.

Man Who Received Wounds Similar to President McKinley.

SPECIAL DISPATCH TO THE EVENING STAR.
BOYD'S, Md., November 22.—Henson Smith, the negro who was shot by Charles Norris at Galtersburg several weeks ago, died at his home at Darnestown last night as a result of the wounds. Smith's case caused considerable comment when he was sent to the Emergency Hospital at Washington for treatment on account of the similarity of his wounds to those of President McKinley, who was shot a few days afterward. Smith was discharged from the hospital about ten days ago. It was thought he would recover, but it is supposed that he was rather too hasty in taking rough exercise, which aggravated his wounds and caused his death.

GOV. GEER'S STATEMENT.

Concerning the Proposed Combine of Northwestern Roads.

SALEM, Ore., November 22.—Gov. Geer yesterday made the following statement: "A conference of the northwestern governors to prevent a combination of parallel and competing railways must be a good thing, and I certainly would favor such a conference, though I could not attend it myself, unless it were held on this coast. Oregon is not interested directly, however, since we have no such railways nor any law on that subject. If such action on the part of the parallel railways means increased exactions from the people, I am sure they will be found to prevent it, and no doubt will be the common sense of common people will settle the question right."

The Saks Stores

Leaders Since 1867.

There's No Clothing Like Saks-Clothing.

The Reason is as Plain as the Fact.

Saks-Clothing is made expressly and directly for Washingtonians—made in our own work rooms, with no other interests to conflict. The highest talent, the best taste join with the most advanced methods in serving you exclusively. Where others are clamoring for long-cut Overcoats, and trying to make the short ones do because they are dependent upon a treacherous market—we've the long Coats in abundance—in every style and fabric and size in every grade. Our control of production gives us selling power that is unequalled.

GRANZNER KILLS HIMSELF.

He Attempted to Murder a Woman and Escaped.

PHILADELPHIA, November 22.—Geza Granzner, who on Monday last attempted to murder Mrs. Susanna Miller by shooting her in the head, was found dead today in a house at 325 North 10th street, having committed suicide by shooting himself in the head. After Granzner had attempted to kill Mrs. Miller he fled, and the force of the city had been unable to locate him. The woman is still hovering between life and death at a hospital.

NEW YORK HORSE SHOW.

There Seems to Be No Flagging in the Contest.

NEW YORK, November 22.—Although the horse show seemed to reach the flood tide of its popularity last night, there was no apparent flagging of interest at the opening today. The enthusiasts were on hand as early as the exercising hour, and the crowd steadily grew in size throughout the day. French coaching stallions, hackney stallions, standard-bred trotting stallions, saddle ponies, pacers in harness, pacers for broughams, chargers and four-in-hand teams were featured, and the day card also bore a preliminary trial for light-weight hunters and a speed test in changing teams in road coaches.

The ring committee was as follows: Day—Thomas Hitchcock, Jr., and Col. Dancy A. Kane. Evening—F. K. Sturges and E. D. Morgan.

THE DALE POISONING CASE.

Coroner's Jury Views the Remains of the Child.

NEW YORK, November 22.—The jury empaneled at Hoboken, N. J., by Coroner William N. Parslow in the case of Emeline Dale, the five-year-old girl whose death is alleged to have been caused by poison administered by her mother, Mrs. Elizabeth Howard Dale, assembled at the morgue today and viewed the body of the dead child. The jury then adjourned subject to the call of the coroner. The coroner said that the inquest would probably be held on Tuesday or Wednesday next, but the date had not yet been fixed. He said he had secured six responsible men for
